## ABOUT US

Kalpatharu Agencies has grown into a trusted name in the field of printing, packaging, and post-press solutions. With more than

of industry experience, we specialize in supplying high-quality products tailored to meet the evolving needs of our customers.

We are actively engaged in serving the printing & packaging, Corrugation, FMCG, Footwear, Textile, Automotive and Pharma industry, and allied sectors, providing a wide range of reliable and performance-driven solutions. Our core expertise lies in water based adhesive, Food-Grade and Barrier Coatings, Inks related materials, we ensure superior finishing Enhanced productivity and consistent performance across applications.

### **At Kalpatharu Agencies, we are committed to:**

- Delivering consistent quality products
- Building long-term customer relationships
- Providing supply and dependable service
- Supporting clients with Strong technical knowledge and market expertise

With a strong market presence and customer-focused approach, we continue to expand our reach while maintaining the highest standards of professionalism and trust.

## AUTHORIZED DISTRIBUTOR

# OUR PRODUCTS

## LAMINATION ADHESIVES (WET / DRY LAMINATION)

- Designed for Lamination of BOPP Gloss, Matt film, PVC, Metpet on Paper and Board.
- Dry Lamination adhesive (DLA) suitable for high - speed machines with quick drying.
- Enhances Production Efficiency, Bonding strength and Finish Quality.
- Ideal for packaging, cartons, Labels and commercial Print Applications.

## CARTON PASTING ADHESIVES

- Eco-friendly adhesives suitable for Manual application
- Fast setting solutions for Wheel application
- Anti - Choking formulations for smooth Nozzle performance

## PAPER CONVERTING ADHESIVES

Wide range of products in water based adhesives, we also cater to many specific paper converting application like

- Paper Bag
- Paper Straws
- Ripple Paper Cup
- Corrugated Boxes
- Cigarette Packaging
- Honeycomb Packaging
- Flute Lamination
- Envelope
- E-Commerce Bags

## PRESSURE SENSITIVE ADHESIVES (PSA)

We provide a wide range of PSA's from permanent to peelable solutions.

- Permanent PSA's for general labeling application
- Deep freeze PSA's for Low-temperature conditions
- Removable PSA's for peelable application
- Clear PSA's for "No - label look" (Filmic Labels)
- Permanent and Peelable (PSA) for tape applications
- APEO and Phthalate Free Label solutions.

# OUR PRODUCTS

## CONTACT ADHESIVE

A high-performance bonding solution designed for instant, and durable adhesion. When two coated surfaces come into contact after partial drying. It forms a strong uniform bond without the need for extended curing time - Ensuring speed, Efficiency and reliability.

- ✔ Lamination Applications
- ✔ Furniture Manufacturing
- ✔ Footwear Manufacturing
- ✔ Automotive Interiors
- ✔ Packaging & Foam Industry
- ✔ Leather & Upholstery

## PRINTING INKS SECTION

High quality inks Engineered for superior Print clarity, consistency and color vibrancy.

- ✔ Conventional Offset Inks
- ✔ UV/LED Inks
- ✔ Water-based & Solvent-based

Application : Offset, Flexo, Gravure & Corrugation

## AQUEOUS COATINGS

- ✔ Aqueous Varnish & Primer Coatings
- ✔ High Gloss Coatings
- ✔ Matte Coatings
- ✔ Satin Coatings
- ✔ Playing and Game Card Coatings
- ✔ Primers Coatings for UV and Film Lamination
- ✔ Neutral Coatings
- ✔ Ink Duct Coatings

## UV & LED COATINGS

Advanced UV & LED coatings for High-Speed Production and Premium Finishing effects.

- ✔ Drip Off UV Coatings
- ✔ Texture UV Base Coat
- ✔ High-Gloss UV in-line / Offline Paper & Board Coatings
- ✔ Ink Duct UV Coatings
- ✔ Matte UV Coatings

# OUR PRODUCTS

## BARRIER COATINGS

Sustainable alternative to laminated and wax coatings it is recommended for paper cups, trays, food containers, pizza boxes, ice cream cartons etc.

The special product features are :

- ✔ Low COBB
- ✔ Good oil and grease resistance
- ✔ Good Water Vapour Transmission rate
- ✔ Strong heat sealing performance
- ✔ Good water resistance
- ✔ Low odour
- ✔ FSS compliance

## WATER - BASED HEAT SEAL COATINGS

- ✔ Eco-friendly, Low environmental impact
- ✔ Low VOC (Meets safety regulations)
- ✔ Odorless / Low odor (food and pharma packaging Safe)
- ✔ Good heat seal strength
- ✔ Excellent adhesion on paper, board & films
- ✔ Non-toxic and safe for food contact (subject to grade)
- ✔ Suitable for high-speed coating and sealing

## BLISTER VARNISH

It is used for blister Packaging. Consumer goods like batteries, toys, stationery, etc., works with PVC / BOPP heat sealing.

- ✔ High Bonding & Fast drying
- ✔ Cost effective
- ✔ Strong Bond Strength
- ✔ High Gloss and Premium Finish
- ✔ Low Viscosity
- ✔ Excellent Binding with High GSM coated paper
- ✔ Crack & Breakage resistant

# OUR PRODUCTS

## SPECIALITY FILMS

- BOPP Films
- PET Films
- Metalized Films (METPET)
- Thermal Films
- 3D Films

**KALPATHARU**  
A G E N C I E S

**A Comprehensive Adhesives Solutions for all Packaging Application.**

We Focus on building long - term customer relationships  
Emphasis on quality, growth and creating lasting value.
